

SENSES SCAVENGER HUNT

Welcome to the National Veterans Memorial and Museum!
Use your senses to explore the museum and discover the Veteran experience.

SEE

Mark the box at the corner of each image once you've found the matching photo or artifact.

HEAR

George Washington warns of what could happen to the Continental Army if they do not receive more resources for the war against Great Britain.

Abraham Lincoln consoles Fanny McCullough whose father was killed during the Civil War.

Charles Young Jr. stays connected while his father is away on duty.

TOUCH

Lift the lids to hear the Veteran stories

Pick up the rucksacks

Try on the military gear

Use the touchscreen to find out the number of U.S. military personnel worldwide during the year you were born

REFLECTIONS

Think about the stories and Veteran experiences you have encountered during your time here.

Ask a Veteran a question at the National Conversation area.
