

K-W-L CHART

KNOW-WANT-LEARN

Before you visit the National Veterans Memorial and Museum, fill out the first two columns of the K-W-L Chart. Write down words, names, phrases, or even sentences to describe your thoughts.

After you've visited the NVMM, fill out the third column.

We'd love to hear what you learned! Feel free to email these charts back to Education@nationalvmm.org so we can continue to connect civilians to the Veteran experience.
