NATIONAL VETERANS MEMORIAL AND MUSEUM

The National Veterans Memorial and Museum (NVMM) in Columbus, Ohio represents a national initiative of profound importance for our nation’s 20+ million living veterans. Envisioned by the late Senator John Glenn (1921-2016), Colonel, USMC (Retired), as a gathering place for veterans across the country. The museum opened to the public on October 27, 2018. NVMM presents the veteran experience through the lens of personal stories and life-changing experiences from which visitors will be inspired to learn more about our country’s history and actively engage in their own communities as informed citizens.
