The National Veterans Memorial and Museum and Mary Whyte Proudly Present A Virtual Tour of *We The People: Portraits of Veterans in America*

(COLUMBUS, Ohio) – The National Veterans Memorial and Museum today debuted its first virtual tour in partnership with Mary Whyte, the artist who created the museum’s special exhibition, *We The People: Portraits of Veterans in America*. The exhibition of 50 watercolor portraits of Veterans in their civilian lives opened at the museum in September 2020. To allow more people access to the exhibition, Whyte worked with the museum to create and host a virtual tour of her art as well as stories from the road.

“Thanks to Mary Whyte and our amazing team, we have reached another museum milestone -- our first virtual tour,” said Lt. General Michael Ferriter, U.S. Army (Retired), President and CEO of the National Veterans Memorial and Museum. “We are excited to share this incredible Veteran art to connect, inspire and educate families -- wherever they may be – during the holidays and beyond.”

The 24-minute virtual tour takes viewers through the powerfully moving exhibition located in the museum’s Great Hall. As viewers experience Whyte’s exquisitely detailed portraits, she shares how she decided to secretly embark upon what would become a seven-year journey across America to meet and paint a Veteran from each state. Experience for yourself, the search for inspiration and painting challenges that were part of her journey to honor all Veterans in a one-of-a-kind tribute.

Tickets for *We The People: A Virtual Tour* are available from December 23 – March 21, 2021, through the National Veterans Memorial and Museum website for $7. Museum members can enjoy the tour as a member benefit. Each ticket is available to the viewer(s) for 72 hours after purchase and can be viewed multiple times during the three-day period.
