LEADERS ARE READERS

The National Veterans Memorial and Museum is committed to supporting student success and helping to foster the next generation of community leaders. This fun summer reading challenge encourages students K-12 to read 3 – 8 books over the summer break, record their progress and bring in their reading list to receive FREE museum admission. Adult admission \$10.

Parents, did you know:

- Young children with richer home literacy environments succeed when they begin school.
- Reading as few as four books keeps kids at their current reading levels.
- Summer reading loss is a key factor contributing to the achievement gap between struggling and successful students.

AND MUSEUM**

Students, did you know:

- If you read 20 minutes a day you will read 1,800,000 words per year.
- Reading is the fastest way to build your vocabulary.
- The world's tallest book is over 6 feet.
- Reading is an excellent way to learn about new people, places and things.
- Reading is fun and exciting!

K – 4th graders read 3 books and record your success!

5th – 8th graders read 4 – 6 books and record your success!

9th – 12th graders read 7 – 8 books and record your success!
